

# Ronin

Catalog \$2

## Books for Independent Minds

**Ronin Publishing, Inc.**, is an independent press in Berkeley, California, publishing books as tools for personal empowerment and expanded consciousness. Our name is inspired by the Japanese word for unindentured or maverick samurai, called *ronin* or “wave men,” because they were cast onto the chaotic waves of change. Our mission is to publish books that foster independent thought and empower the individual to become self-mastering and surf the waves.

Get our books at your local bookstore to save on shipping fees, and support your local bookseller. If you can't get *Ronin* books at a nearby store, you can order from [amazon.com](http://amazon.com), [b&n.com](http://b&n.com) or directly from us. Check our website for latest online catalog.

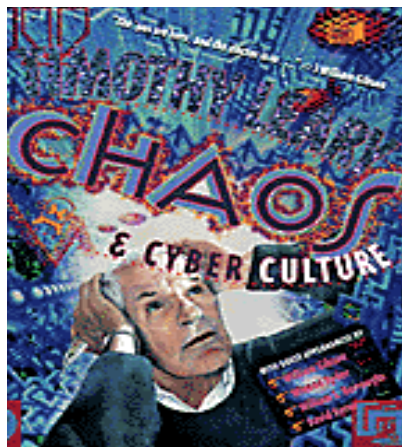

“Psychobotanicals” encompasses psychedelics and their personal, social and cultural impact. “Leary Library” includes books authored by or about Timothy

Leary. “Life Skills—With Attitude” include books that tell how to thrive in a changing world, become more autonomous and find work you love doing. “Fringe Series” keeps you informed about things off the grid. “EntheoSpirituality” shows how to find your God within.

Ronin sells **Books for Independent Minds** to educate and inform *only*. We do *not* advocate breaking the law, including the use of drugs or harming persons or property. We make no warranties.

See the Terms of Sale (page 16) and our Order Form for complete information. *If you are under 18, please do not call or place orders.* Please respect other customers' concerns and our position on this issue. We are *not* interested in sending our catalog or books to minors. Additionally, we do *not* ship catalogs or books to prisons or correctional institutions because they are always returned.

WARNING: DON'T LOOK INSIDE THIS CATALOG IF YOU HAVE A CLOSED MIND, OBJECT TO INDEPENDENT THINKING, OR ARE UNDER 18.

## Chaos and Cyber Culture

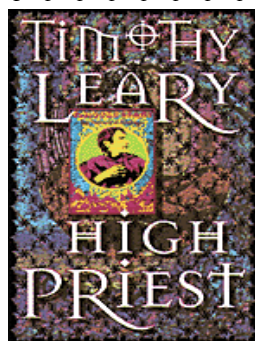

Timothy Leary, PhD,

with William Gibson, William Burroughs, Winona Ryder & Others

Timothy Leary's "cyberpunk manifesto" describes a New Breed that loves technology and uses it to revolutionize communication while having fun creating the cyberdelic politics and culture of the 21<sup>st</sup> Century. Leary was a leading figure in cyber culture, much as he was a leading figure in the consciousness revolution of the 1960s. *Chaos and Cyber Culture* brings together over 100,000 words of provocative, futuristic writings and cogent conversations in a graphic format with over 100 illustrations.

0-914171-77-1, 292 pp • \$29.95

**\*\*Rare Book\*\***

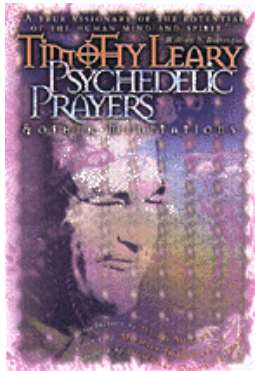

## High Priest

Timothy Leary, PhD, Foreword by Allen Ginsberg

Chronicles Timothy Leary's experiences on 16 early, formative psychedelic trips before LSD was illegal. The "high priests" include Allen Ginsberg, Aldous Huxley, Ram Dass, Ralph Metzner, Huston Smith, and Frank Baron. Each chapter includes an *I Ching* reading and a chronicle of a trip, along with marginalia of comments and quotations, and illustrations.

Leary is a hero of American consciousness. —Allen Ginsburg

*Collector's Edition signed by Timothy Leary and numbered \$100.00*

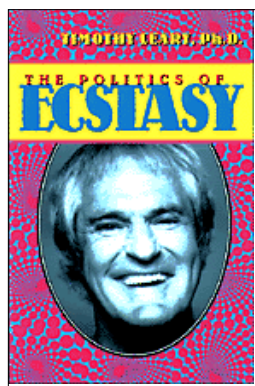

## Psychedelic Prayers & Other Meditations

Timothy Leary, PhD, w/ Ralph Metzner, Rosemary Woodruff Leary, Michael Horowitz

Leary's only book of poetry. Manual to higher consciousness inspired by Lao Tse's *Tao Te Ching* (*Way of Life*). Includes six recently rediscovered poems, photos and drawings cover of the German edition by H.R. Giger and photograph of Leary in India, and essays by Michael Horowitz, Rosemary Woodruff Leary, and Ralph Metzner who was with Leary in India when the book was written.

*Hardcover Keepsake Edition \$20.00*

0-914171-84-4, 144 pp • \$12.95

## The Politics of Ecstasy

Timothy Leary

Foreword by Tom Robbins,

Intro by R.U. Sirius

222 pp • \$14.95

1-57951-031-0

Exploration of human consciousness during the "Summer of Love." Ramifications of psychedelic experience. *Playboy* interview revealing

the sexual power of LSD; an outline of the neurological theory that became Leary's classic eight-circuit model.

## Turn On, Tune In, Drop Out

Timothy Leary Foreword Jeffrey

Mishlove, PhD

152 pp • \$14.95

1-57951-009-4

Leary at his best, beckoning with humor and irreverence, visionary of individual empowerment, personal responsibility and spiritual awakening.

*Timothy Leary—in his own inimitable way—has become the twentieth century's grand master of crazy wisdom....*

—Jeffrey Mishlove

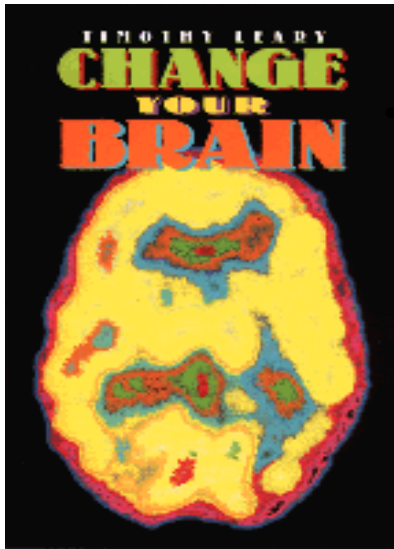

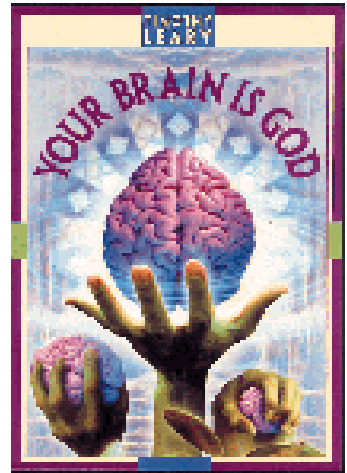

## Your Brain is God

Timothy Leary

112 pp • \$12.95

1-57951-052-3

How the Harvard-Milbrook psychedelic research moved from the scientific to the religious arena after Leary and Alpert came to understand that the US Constitution does not protect scientific exploration. *The brain had replaced the genitals as the forbidden organ that must not be touched or turned on by the owners so the only way in which consciousness-change experiences could be discussed was in terms of philosophic-religious.* —Timothy Leary

## Change Your Brain

Timothy Leary

112 pp • \$12.95

1-57951-017-5

For Timothy Leary, drugs are useful tools to reprogram your brain circuits—while having a good time in the process. *How to Change Your Brain* is a compilation of Leary's earliest work at Harvard on "re-imprinting" your brain and the outrage it provoked in stodgy corners of professional and academic psychology. Filled with inside stories and Leary's keen observations of hypocrisy which he reveals with his characteristic humorous cynicism.

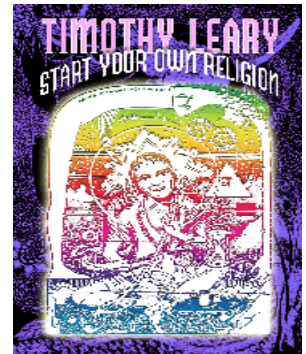

## Start Your Own Religion

Timothy Leary

Preface: Scoop Nisker

1-57951-073-6, 240 pp • \$14

You and your friends can do anything that the great religions and empires have done in the name of their Gods. You can choose your God to be smart, compassionate, cute and goofy. Create a cult comprised of your family and friends, then develop a personal mythology and write your own New Testament. Religious, mystical visionary possession states are powerful and wonderful. They open the doors of perception, polish our sensory lenses, and shake up the autonomic nervous system.

## CyberPunks CyberFreedom

Timothy Leary

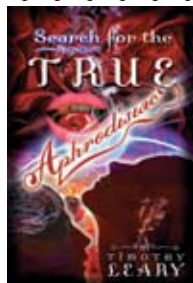

192 pp • \$12.95

978-1-57951-084-8

Change Reality Screens!

Reboot your brain—often!

Our brains are only in operation when they are slamming bytes and bits of information back and forth—multimedia communication. Brains want to hook up with other brains. Includes *The Cyberpunk Manifesto* by Christian A. Kirtchev who calls cyberfreedom seekers to action. Leary says, Think for yourself; question authority. Chaos is good. Chaos creates infinite possibilities.

## Search for the True Aphrodisiac

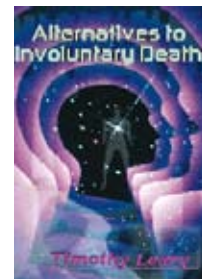

Timothy Leary

124 pp • \$12.95

978-1-57951-088-6

Sex is the highest form of communication. Imaginaiton

governs sexual desire. Explores the anxieties taboos around sex. The brain is the ultimate organ of pleasure—if you know how to use it. Leary explains how.

## Alternatives to Involuntary Death

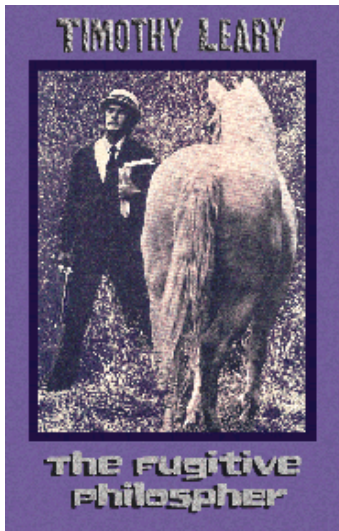

Timothy Leary

1 pp • \$12.95

978-1-57951-087-9

No more pious wimpy talk about death. Time

to talk cheerfully and joke sassily about personal responsibility for managing the dying process. Dying is the most fascinating experience in life. Design your own death! .

## The Fugitive Philosopher

Timothy Leary

\$12.95

978-1-57951-039-6, 192 pp.

Busted for pot in 1965, Timothy Leary was sentenced to 25 years in prison. He escaped, and thus began an almost farcical odyssey: the former West Point student and Harvard professor was now an acid-tripping fugitive. In this delightfully irreverent account, Leary describes his time in Algeria and Switzerland, where he was sheltered by an arms dealer; his exploits with the Weathermen and Eldridge Cleaver, who tried to hold him hostage; and his capture and return to the U.S.

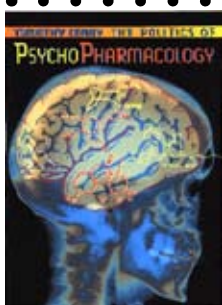

## The Politics of Self-Determination

Timothy Leary

104 pp • \$12.95 - 1-57951-015-9

Leary's bedrock work. As a graduate student, Leary created a theory of personality that was a significant catalyst sparking the human growth movement and got him his Harvard appointment— before LSD. Shows Leary's views on personal freedom when he was a young psychologist and how they evolved and morphed by the end of his career. Nestled here and there are glimpses of the ronin attitudes that propelled him and the strategies that he used to get around the system to pursue his research.

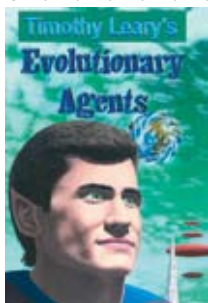

## Politics of Psycho-Pharmacology

Timothy Leary w/ Sasha Shulgin, Rosemary Woodruff Leary & Richard Glen Boire, Esq.

1-57951-056-6, 128 pp • \$12.95

Amazing saga of Leary's persecution by the "authorities." The Queen of Hearts-like escape trial, appearance before US Senate and interrogation by Teddy Kennedy, G. Gordon Liddy in their bedroom, Leary's enlightened platform in his campaign for Governor of California—and more. Tim was outrageous and we love him for it!

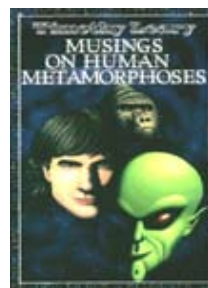

## Evolutionary Agents

Timothy Leary

192 pp • \$12.95

1-57951-064-7

It's not survival of the fittest; it's the evolution of the fastest in the Human Race. Evolutionary Agents are catalysts, stimulating mutation and migration. They are "Out-Castes"—cast out, thrown forward, pushed up, above and beyond contemporary realities. Intelligence is not a matter of I.Q. but of DNA. Mobility is the key to increased intelligence. All suffering is caused by being in the wrong place—move! The only smart thing to do is to get smarter.

## Musings on Human Metamorphosis

Timothy Leary

128 pp • \$12.95

1-57951-058-2

Humans are morphing into space beings—we are becoming the aliens. The eight circuits of human metamorphosis, analyzing in depth the consciousness—and its purpose—manifested by each change. Musings from spinning up the genetic highway to neurogeography of terrestrial politics to twelve stages of post-cultural evolution.

# LILLY LIBRARY

## The Quiet Center

John C. Lilly, MD & Philip Bailey Lilly

Lilly blends science and philosophy to discovering new truths and escape the deluge of our frantic world. The result was his provocative “isolation experience”. This book explores the center of the cyclone through personal experiences in the Isolation Tank.

144 pp • \$12.95  
1-57951-059-0

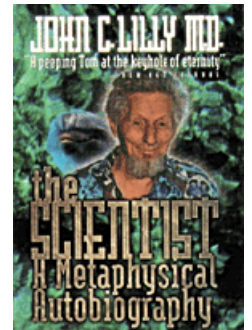

## The Scientist: Metaphysical Autobiography

John C. Lilly, MD, Foreword by Timothy Leary

Lilly tells his behind-the-scenes story of his astonishing discoveries—from his early experiments mapping the brains of monkeys and communicating with dolphins to his awesome breakthroughs with consciousness-expanding drugs and isolation tanks.

A Peeping Tom at the Keyhole of Eternity.  
—New Age Journal

256 pp • \$14.95  
0-914171-72-0

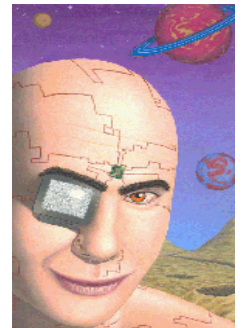

## Programming the Human BioComputer

John C. Lilly, MD

Lilly’s amazing manual on the biochemical parallels between the human brain and computers. How to self-metaprogram using entheogens. Long awaited nitty-gritty information on how to operate your amazing robot.

192 pp • \$12.95  
1-57951-065-5

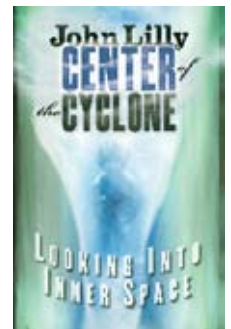

## Center of the Cyclone

John C. Lilly, M.D.

Lilly tells of his experiences in “far-out spaces” and how such spaces are programmed with self-metaprogramming. *The Center of the Cyclone* goes behind the scenes into Lilly’s inner life exploring inner space. Offers a scientific explanation of how the mind operates in the entheogenic state. Lilly’s “classic” now available again after being long out of print.

\$14.95, 240 pg.  
978-1-57951-038-1

## The Steersman

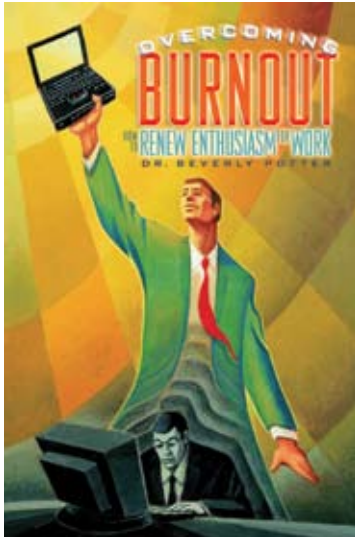

### Metabeliefs & Self-Navigation

John C. Lilly, M.D.

The Steersmans—the programmer in the biocomputer—navigates partly by metabeliefs, those sometimes conscious, but mostly unconscious, assumptions, axioms, biases, prejudices, models, and simulations that determine our thoughts, feelings, motives and sense of what is real and true. Like an iceberg, beliefs are mostly out of awareness. Explores common meta-beliefs and how they direct our lives.

\$14.95, 192 pg.  
978-1-57951-037-4

## Overcoming Job Burnout

**How to Renew Enthusiasm for Work, 3rd. edition**

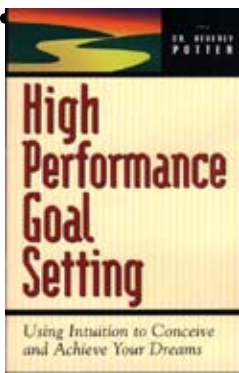

Dr. Beverly Potter, Illustrations by Phil Frank

240 pp • \$14.95  
1-57951-074-4

Tens of millions of workers in the United States suffer from feelings of powerlessness in the workplace which can destroy motivation and enthusiasm for work. Burnout is especially prevalent in this era of restructuring and job displacement.

*Overcoming Job Burnout* tells how to renew enthusiasm for work by developing personal power. This upbeat guide shows how to recognize job burnout and overcome it through a progression of positive changes, including setting goals, managing stress, building a strong social support system, modifying the job, developing needed skills, changing jobs, modifying powerless thinking and developing detached concern.

Provides important information that managers, counselors, and individuals can utilize daily to eliminate feelings of powerlessness on the job and includes the *Burnout Potential Inventory*, *Am I Burning Out?* and *Is My Staff Burning Out?* tests. Illustrations, index.

## High Performance Goal Setting

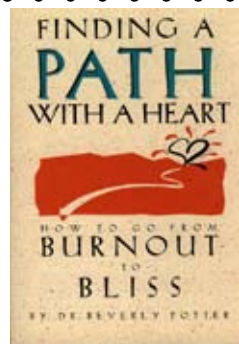

**Using Intuition to Conceive & Achieve Your Dreams**

Dr. Beverly Potter

96 pp • \$9.95  
1-57951-012-4

Intuition is the “secret weapon” of high performers. High performance goals are powerful—compelling and magnetic so they pull you towards the goal the way a magnet would, so that you don’t have to drive yourself. Filled with interesting illustrations, set in easy to read large type, making it a quick read that in fun and pops right into your head. Easy to implement techniques and charming “Shaman Woman” stories characteristic of Docpotter’s work.

This is definitely a book for “the rest of us.” —NAPRA Review

## Finding a Path with a Heart

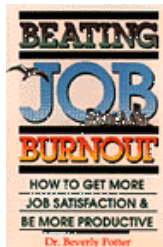

**How to Go from Burnout to Bliss**

Dr. Beverly Potter, Foreword by Michael Toms, Illustrations by Phil Frank

356 pp • \$14.95  
0-914171-74-7

*Finding a Path with a Heart* shows how to find direction and meaning in your work and your life by finding your own path, one that is in tune with your values, one that will make your heart sing. In this work Docpotter offers a step-by-step method for becoming a “self-leader”—so that you can set your direction and have a joyous journey. Illustrations, charts, index.

Fascinating, useful and enjoyable to read. —NAPRA Review

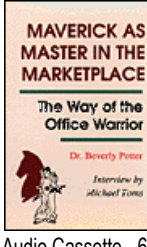

**Beating Job Burnout How To Increase Job Satisfaction**

Dr. Beverly Potter

Audio Cassette - 60 min - \$9.95

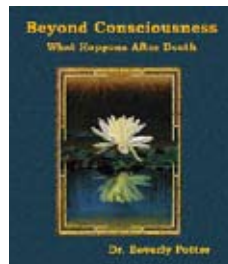

A lively and informative *Psychology Today* interview with Docpotter. Describes the symptoms and causes of job burnout and how to overcome it. ISBN: 0-914171-41-0

**Maverick As Master in the Marketplace The Way of the Office Warrior**

Dr. Beverly Potter  
Interview by Michael Toms

- Audio Cassette - 60 min - \$9.95
- Interview with Michael Toms of
- New Dimensions Radio provides
- insights to empower the independent minded to rise above corporate feudalism and get ahead while
- enjoying it more. ISBN: 0-914171-42-9

**Beyond Consciousness**

**What Happens After Death**

Dr. Beverly Potter

\$15.00 - 240 pp. 978-157951-083-1

Death is the ultimate enigma. Is death the end of human experience, or do we continue in some other state of being? What of consciousness? What happens to awareness? To our souls? If the mind can exist outside of the brain, then it is conceivable that the mind—consciousness—can exist after death. *Beyond Consciousness* explores this critical question. Provocative and inspirational.

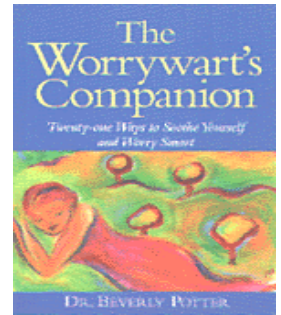

## The Worrywart's Companion

190 pp • \$15.95  
1-885171-15-3

### Twenty-One Ways to Soothe Yourself & Worry Smart

Dr. Beverly Potter

Worry is a kind of mental fire-drill, but worrywarts get fixated on their fears of catastrophe and drive themselves—and everyone around them—nuts! Learn how to shake the worrywart habit to “worry smart”—worry that actually helps to improve your life and keep you safe. Fun to read and filled with good advice.

## From Conflict to Cooperation

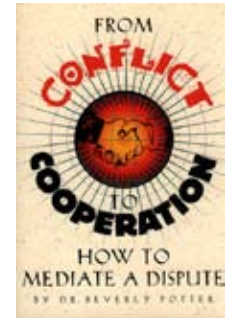

194 pp • \$14.95  
0-914171-79-8

### How to Mediate a Dispute

Dr. Beverly Potter, Illustrations by Phil Frank

Techniques for mediators to resolve disputes. This manual shows how to intervene to control hostility while uncovering each party's perspective on the issues involved. It then demonstrates how to mediate an agreement.

Superb guide to mediating disputes...excellent source...a basic training manual for those involved in mediating disputes. Potter's handbook is highly recommended.—Library Journal

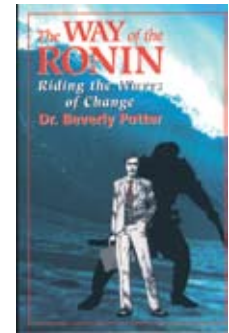

## The Way of the Ronin

### Riding the Waves of Change at Work

Dr. Beverly Potter, Foreword by Dennis Jaffe, PhD

The ronin career strategy is based on versatility, independence, initiative and savvy. Rather than focusing on a narrow career path, ronin surf the waves of change by building a wide range of skills and using work as an adventure. An inspiring alternative to the ladder-climbing mentality of the corporate world. Strategies to escape from “corporate feudalism” to establish yourself on the cutting edge.

272 pp • \$14.95  
1-57951-051-5

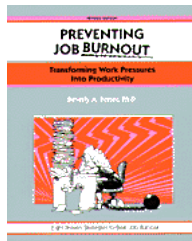

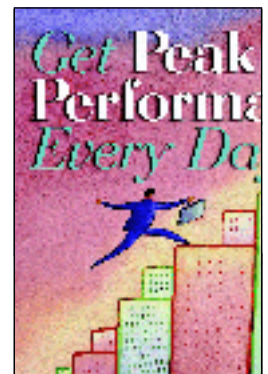

## Get Peak Performance Every Day: How to Manage Like a Coach

Dr. Beverly Potter

Many managers strive to be liked, but “nice-guys” make bum bosses because they are often vague in their directives and withhold feedback that employees need to improve. Drill instructor-type manager make better bosses because employees know where they stand and what is expected, but they don't build a team. Managers who function like coaches make the best bosses because they develop their staff as individuals and as a team so that they can perform at their peak. Doepotter offers a simple but powerful method for integrating coaching into everyday management responsibilities.

192 pg. \$12.95  
1-57951-071-X

## Preventing Job Burnout: Workbook

Dr. Beverly Potter  
Hands-on guide, filled with fun-to-do exercises. This makes a great text for workshops. Good for

anyone who really wants to tackle their job doledrums and renew their enthusiasm for working.

112 pp • \$14.95 - 1-56052-357-3

## Patriots Handbook

Beverly A. Potter

Preface by Mimi Steel  
Tells the Constitutional tools available to States and to We the People for pushing big government back. Learn how 17th Amendment will return

- power to the States. We must become informed
- about the workings of our amazing system to
- keep it safe. 124 pp. - \$12.95 - 978-1-57951-108-1

Visit Doepotter's site at  
[www.doepotter.com](http://www.doepotter.com)

**Marijuana Law:**

Richard Boire, JD, Foreword by Tony Serra

Comprehensive legal manual explains marijuana laws and how they can impact upon citizens' rights. Tells how people are arrested and prosecuted and how mj users can increase privacy protections, reduce the probability of arrest and defend themselves from prosecution. The medical necessity defense in marijuana cases, drug testing, case law, and Fed sentencing guidelines. Incl. Bill of Rights, Wallet cards, Case histories.

288 pp • \$17.95  
0-914171-86-0

**Medical Marijuana & the Law**

1-57951-035-5 192pp \$16.95

Richard Boire, JD  
Kevin Feeney, JD

Practical tactical manual provides reliable legal information for patients, doctors, law-makers or a law-enforcers. Spells out all the law about medical marijuana. In-depth discussions of both of federal and state laws, important cases, and specific requirements for lawfully using medical marijuana, this book provides all the important information that a medical marijuana user must know. AVAILABLE WINTER 2006

**Pass the Test: An Employee Guide to Drug Testing**

Beverly A. Potter, PhD, & J. Sebastian Orfali, M.A.

Learn how tests work, your legal rights as an employee, and what you can do to make sure your employer tests fairly. Learn what over-the-counter medicines and foods, like poppy seeds, can cause false results. Most importantly, learn what steps to take to pass the test. Written for the millions of people in corporate America who don't abuse drugs.

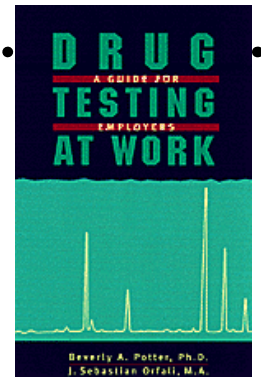

160 pp. • \$16.95  
1-57951-008-6

**Drug Testing At Work: A Guide for Employers**

Beverly A. Potter, PhD, & J. Sebastian Orfali, MA

Describes the tests and how they work, discusses the civil rights issues and tells how to set up a drug testing program. It tells employers how to reduce exposure to lawsuits and reveals how employees beat the test. It includes a chart of drug detection periods, how to flush drugs out of the body, how to adulterate and substitute samples and how to foil the paperwork.

279 pp • \$24.95  
1-57951-007-8

**Sacred Mushrooms & the Law**

Richard Boire, JD Foreword T. McKenna

Tells the legal landscape underlying psychedelic mushrooms. Provides practical tactical information never before accessible to the layperson. Federal and state laws concerning psilocybin, psilocin, and psilocybian mushrooms are covered, along with easy-to-use charts outlining potential punishments for those daring to defy governmental edicts. For anyone caught in the Kafkaesque dance macabre of preparing their defense. —Terance McKenna

## Brain Boosters—Foods & Drugs That Make Your Smarter

Beverly Potter, PhD & Sebastian Orfali, MA

256 pp • \$16.95  
0-914171-65-8

Comprehensive guide to smart drugs and nutrients. How the brain works and the factors influencing mental performance, tells about the evolution and growing use of nutrients and pharmaceuticals to improve brain function, from patients and cyberpunks to the mainstream. Includes a laymen's description of the most important pharmaceuticals, vitamins, nutrients and herbs used to boost brain power. Charts. List of doctors.

## Fountains of Youth; Eat Less, Live Longer

Editors of Ronin Publishing

256 pp • \$14.95  
0-914171-76-3

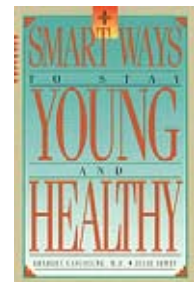

A thorough, practical and reader friendly overview of nutrients, pharmaceuticals, and techniques that help you live younger and longer. It tells readers how to use recent gerontological breakthroughs to improve health and extend life. A unique "Life-Expectancy Calculation" uses actuarial and lifestyle data to determine potential remaining years of your life, and various techniques to increase your life expectancy. Charts.

## Youth Extension A to Z

Dr. Beverly Potter

\$12.95 - 166 pp  
978-1-57951-090-9

Being youthful goes deeper than appearing younger than your years. Growing old is inevitable, but living old is your choice. You cannot stop time from passing, but you can slow aging. Youthful is fluid, rather than fixed. It is changeable, impetuous, spontaneous, uninhibited, and risk-taking. Youthful is playful, silly, and bouncy. It is the spirit of adventure. Learn how to recapture youthfulness today.

## Smart Ways to Stay Young & Healthy

Brad Gascoigne, MD & Julie Irwin

128 pp • \$9.95  
0-914171-49-6

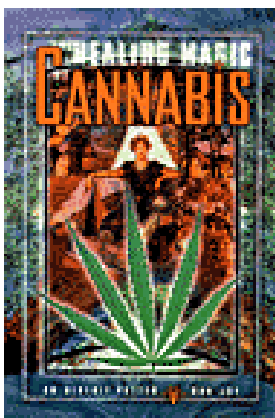

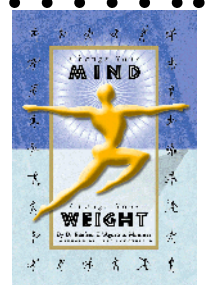

Outlines common-sense ways to remain healthy. It condenses scientific information, provides proven methods of staying healthy, helps you incorporate healthy behaviors into your everyday life, and provides resources for further information. Tips include taking power naps, immunizing yourself, breathing exercises for relaxation, maintaining friendships, stretching in the morning, honoring personal traditions and keeping your sex life healthy. Illustrations of exercise postures.

## Change Your Mind; Change Your Weight

Dr. Raaileen Mautner, Foreword by Bran Schoenfeld

144 pp • \$12.95  
1-57951-060-4

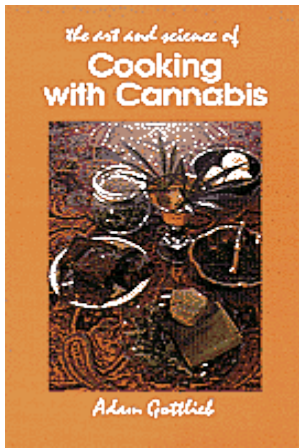

What goes on in your head influences your slimming down and staying slim. Learn to react to set-backs with optimism, instead of by eating! Select realistic goals and tailor your weight-loss plan. Know how to get back on track and resist temptation. An empowering book. *Well written, exceptionally clear.* —Albert Ellis.

## The Healing Magic of Cannabis: It's the High that Heals!

Dr. Beverly Potter & Dan Joy \$14.95, 192 pp • 1-57851-001-9

Guide to the healing and medicinal uses of cannabis. Cannabis can ease tension, reduce stress, trigger the well-known "relaxation response," and foster optimistic thinking and positive mental attitudes. Tells how the psychoactivity of cannabis relates to the mind's role in physical healing; medical conditions treated with cannabis; guidelines for patients to work with their doctors; health tips for cannabis smokers; and the use of the psychoactive properties of cannabis for healing purposes. Charts & tables.

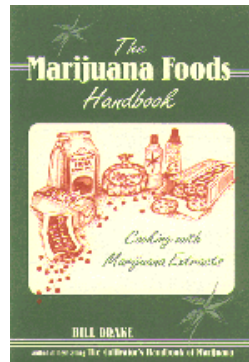

## Cooking with Cannabis

### Preparing Food & Drink with Marijuana, Hashish & Hash Oil

Adam Gottlieb

Cook everything from soup to nuts. The epicurean marijuana enthusiast combines altered consciousness with good taste. Includes tasty recipes for boiling, baking, sautéing, jelling, frying and seasoning psychoactive main courses, desserts and snacks. This hard to obtain cult classic is once again available. With the growing medical use of cannabis, this book is more relevant than ever, since cannabis ingested in food is often more appropriate for medical use than smoking marijuana.

80 pp • \$12.95

## Living Cheaply

With Style—Live Better and

Spend Less

Ernest Callenbach

Practical and ecologically sensible. how to spend less

money while improving the quality of life. Covers food, housing, clothes, furniture, health, entertainment, transportation, dealing with the law, and more. Shows how to analyze needs and wants, beat rising costs and expand the pleasures in your life. Callenbach's concept of the "green triangle" is that environment, health, and money are intertwined.

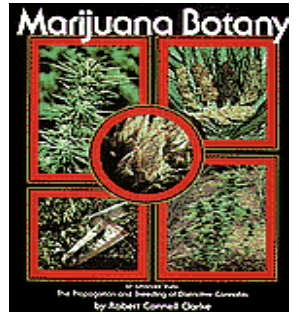

# MARIJUANA

## Marijuana Botany: Propagation and Breeding of Distinctive Cannabis

Robert Connell Clarke, Introduction by Mel Frank, Foreword by R.E. Schultes

In recent times, marijuana has undergone more genetic experimentation and cross breeding than during the previous 10,000 years. This remarkable hybrid development was accomplished by clandestine growers new to any kind of farming. The definitive resource for current information on breeding, ecological factors, cultivation techniques, propagation, sexing, harvesting, as well as THC and peak potency.

"Robert Clarke's splendid effort will be widely appreciated . . . Marijuana Botany will be constantly consulted by a wide variety of researchers. —Schultes, Harvard Botanical Mu-

0-914171-78-X, 220 pp • \$24.95

## Cultivator's Handbook of Marijuana

Bill Drake

*Cultivator's Handbook of Marijuana* has complete information on growing marijuana indoors and out. It is full of fantastic illustrations (over 100) and horticultural knowledge. Drake is a leading authority on marijuana cultivation. His book *Cultivator's Handbook of Marijuana* includes information on the marijuana plant, marijuana and soil, working with young plants, marijuana and light, harvesting, drying and curing, making a good plant better, cultivation of psychoactive tobacco, and cultivation awareness.

*The best book on the subject.* —Whole Earth Catalog

0-914171-07-0

## Growing Marijuana Hydroponically

Hans

*Growing Marijuana Hydroponically* shows how to grow marijuana indoors utilizing the Sea of Green Perpetual Harvest process which is the simplest, quickest method. Hans adapted it to a "cottage" approach. The time required to produce perpetual buds is reduced dramatically because the process eliminates the need to grow an entire plant. Includes a day-to-day, week-by-week description of the Hans cottage approach in non-technical language. Hydroponic cultivation is especially good for growing medical marijuana because it produces a harvest of organic chemical-free marijuana with sweet-tasting smoke.

Fully illustrated. *Hot item!*

112 pp • \$14.95

0-914171-54-2

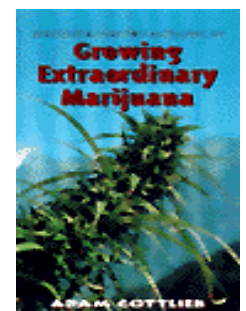

## Growing Extraordinary Marijuana

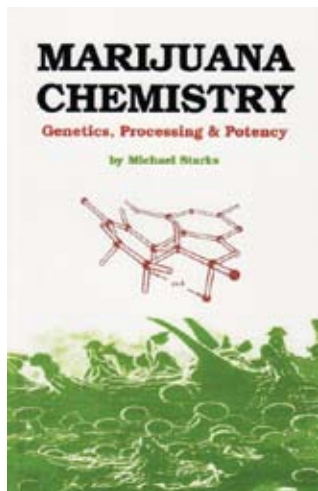

Adam Gottlieb

*Growing Extraordinary Marijuana* is a concise, simple and affordable guide to both ancient and modern methods of cultivating marijuana. The author's focus is on the traditional techniques used by the ganja farmers of India and Oaxaca, Mexico as well as modern techniques such as hydroponics and genetic alteration. This underground classic from the 70's has been rewritten and repackaged with new illustrations.

96 pp • \$12.95

0-914171-94-1

## Marijuana Chemistry: Genetics, Processing & Potency

Michael Starks \$24.95, 204 pp • 0-914171-39-9

Describes the psychoactive constituents of cannabis, and the effects on potency of growth conditions, genetics, harvesting techniques, and processing. Includes variations in THC and CBD content, species differentiation, seeds, grafting, cloning, bonsai marijuana, growing techniques, extraction of THC, preparation of hashish and hash oil, smoking vs. eating, testing for THC and CBD, as well as legal concerns. Illustrations.

## Dr. Atomic's Marijuana Multiplier

Larry S. Todd \$11.95, 96 pp • 1-57951-003-5

A concise, readable description of increasing the potency of marijuana. With Larry Todd's humorous drawings of "Dr. Atomic," this book is an amusing and helpful guide to hash oil production and the unique process of isomerization. Isomerization converts inactive cannabinoids to THC. Includes information on making hash oil from marijuana or hashish and recipes for cooking medicinal treats with hash oil. Cartoons.

## Confessions of a Dope Dealer

Sheldon Norberg \$19.95, 350 pp • 1-57951-032-9

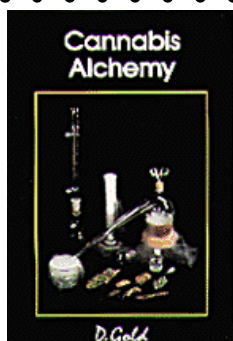

An All-American ODDyssey, a deeply intimate portrait into the mysterious and hidden world of drug dealing. Norberg's life acts as a model for him to analyze how our cultural values and underlying drug use styles create a foundation for misuse of every drug that comes along. A must read for parents and teens and a valuable to young adults, therapists, people seeking interesting spiritual insights, or simply desiring a good read.

## Amazing Dope Tales

Stephen Gaskin \$12.95, 160 pp • 1-57951-010-8

Personal account of early experiences with psychedelics during the exuberant San Francisco "Summer of Love." Told in short, personal anecdotes, Gaskin takes you into a world of being high and the power of the psychedelic influence. He reveals the root and flowering of the Sixties culture and probes the transformational power—and dangers—of certain drugs. Gaskin is the hippy philosopher of "Monday Night Class" who led a caravan of 100 psychedelic hippy buses around the country to find "the land." They did. They bought it and founded "The Farm," the famed commune.

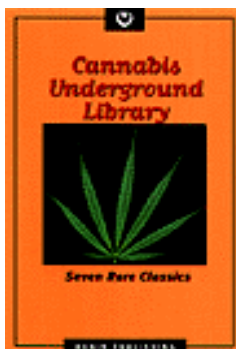

## Cannabis Alchemy: The Art of Modern Hash Making

D. Gold \$16.95  
128 pp • 0-914171-40-2

Cult classic, revised and updated. Alchemist D. Gold reveals the inner world of marijuana and hashish, uncovering secrets and modern techniques

to enhance potency. First published in 1974, its previous editions sold 100,000 copies, making this one of the all-time best-sellers of the counterculture.

## Cannabis Underground Library

### Seven Rare Classics

Adam Gottlieb, Mary Jane Superweed & C.E. Farber

## Psychedelics Encyclopedia

Peter Stafford, Introduction by Dan Joy, Foreword by Andrew Weil, MD

Fascinating historical reference on psychedelics—from the LSD-25 of the '60s to the designer drugs of today. Draws from scientific research, personal accounts, and popular literature to document the properties attributed to psychedelic substances, their preparation and use, and the shifting social attitudes toward them over the past half-century. A remarkable sourcebook for anyone interested in the psychological, biological, physiological, and cultural aspects of psychedelics.. History, botany, pharmacology, physical effects, mental effects, forms, and sources for: The LSD Family; Marijuana & Relatives; Peyote, Mescaline & San Pedro; Psychoactive Mushrooms; The MDA Cluster; Yage & Harmaline; Ibogaine; Short Acting Tryptamines (DMT, DET, DPT); Nootropics; Other Psychoactive Substances. Bibliography, Index, Illustrations.

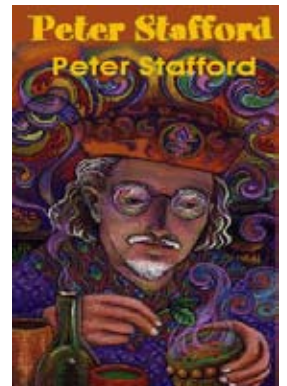

512 pp • \$38.95  
0-914171-51-8

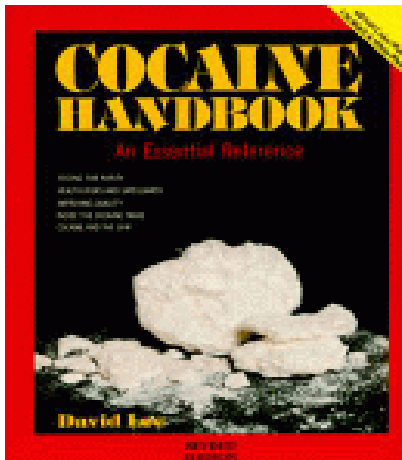

## Psychedelics

Peter Stafford

*Psychedelics* provides a framework for understanding the enormous amount of information available on psychoactive substances. Leading psychedelic writer Peter Stafford relays the history, botany, chemistry, physical and mental effects, forms, sources, and preparations of LSD—the most potent and representative of class of drugs called psychedelics. Stafford claims that psychedelics offer surprising benefits to society and he explores the record of promising studies that were truncated in the 1960s, along with a commentary of developments since that time.

**Opium Poppy Garden**  
**The Way of a Chinese Grower**  
William Griffith

96 pp • \$14.95  
0-914171-67-4

A guide to cultivating and harvesting this beautiful plant. The poppy is one of the most potent flowers in the herbal pharmacopeia and has been used to alleviate discomfort for millennia. This book combines literary and instructional writing with technical information on cultivation and pharmacology to provide the reader with a working knowledge of the exotic opium poppy. Illustrated.

**The Little Book of Opium**  
Francis Moraes, PhD

Opium has been used as drug, both medicinal and recreational, longer than any other substance—over 7000 years. Today opium and its derivatives are the most controlled drugs. *Little Book of Opium* discusses opium pharmacology and how it acts upon the body and explains how heroin is derived and how methadone works. Information in this book aids in harm reduction for people using opium and helps people understand medical uses of opium and morphine. Illustrated.

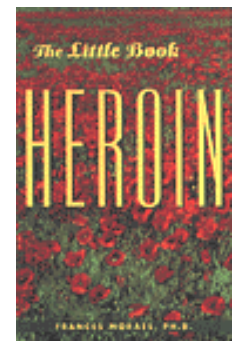

96 pp • \$12.95  
1-57951-018-3

**The Little Book of Heroin**  
Francis Moraes, PhD

A straight forward look at heroin and who junkies *really* are. It covers history and evolution from opium to morphine to heroin; how heroin is procured on the “street” and how it is chemically purified; ways heroin is used and diseases junkies get; methods of detox and the real danger of “sudden death”—and much more. Replaces myth with solid information useful to users, their families and helping professionals. Illustrated.

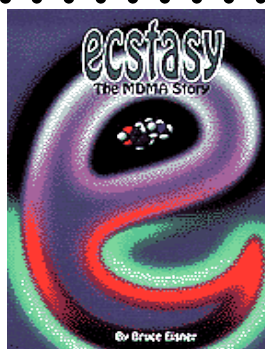

96 pp • \$12.95  
0-914171-98-4

**The Little Book of Ketamine**  
Kit Kelly, Foreword by James Kent

Ketamine causes bizarre experiences unlike any other psychedelic drug. History from its discovery to use at raves. Extraordinary stories of ketamine’s effects while being mindful of what is myth and what is reality. Tells of ketamine’s dangers and how to minimize them. Information about John Lilly, MD—the most famous K user— and DM Turner—considered to be a shaman—who died on ketamine. For the lay-reader. Information from Dr. Karl Jansen, the foremost researcher of ketamine, on how K may produce out-of-body and near-death experiences. Illustrated.

96 pp • \$12.95  
0-914171-97-6

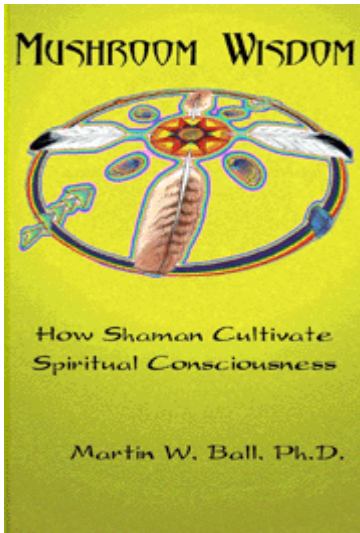

**Ecstasy: The MDMA Story**

Bruce Eisner, Foreword by Stanley Krippner, PhD, Introduction by Peter Stafford

Chronicles MDMA, including the flip-flops in its legal status, psychological effects, erotic implications, methods of use, possible future, health risks, chemical structure and analogues, and a detailed description of the chemical synthesis of MDMA by renowned pharmacologist Dr. Alexander T. Shulgin. Includes updates on the opening of government-sanctioned MDMA research in the USA, the latest information on health risks, and the “rave” scene in England and the USA. Appendices, Bibliography, illustrations.

0-914171-68-2, 190 pp • \$17.95

## **Mushroom Wisdom: Cultivating Spiritual Consciousness**

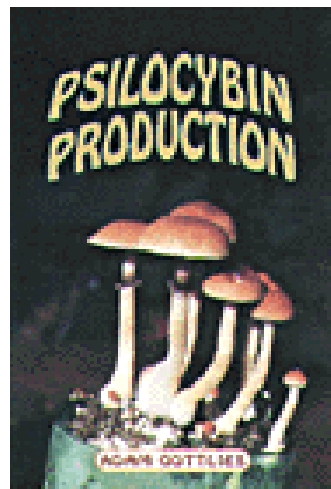

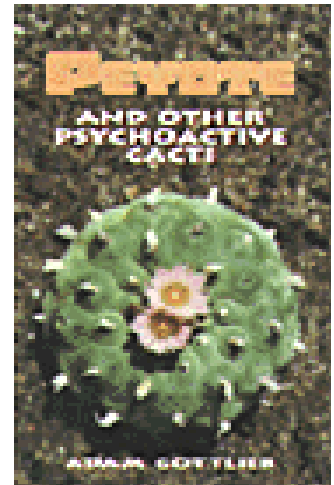

Martin Bell, Ph.D. \$14.95, 192 pp, 1-57951-036-1

Examines the mystical and shamanic aspects of psilocybin mushrooms from philosophical and experiential perspectives. Unlike traditional and indigenous uses of psilocybin mushrooms, this brings universal and culturally-transcendent aspects of mushroom-based spirituality to light with practical approaches and methodologies accessible to all spiritual seekers.

## **Peyote & Other Psychoactive Cacti**

Adam Gottlieb \$12.95, 96 pp, 0-914171-95-X

Guide cultivating Peyote and other psychoactive cacti and extracting active properties, incl. obtaining seeds, growing a variety of cacti, cloning and grafting, and extracting the maximum output of mescaline and other alkaloids, descriptions of procedures used for extracting mescaline from peyote and San Pedro, and legal aspects prepared by attorney Richard Glen Boire.

## **Psilocybin Production**

Adam Gottlieb \$12.95, 96 pp, 0-914171-92-5

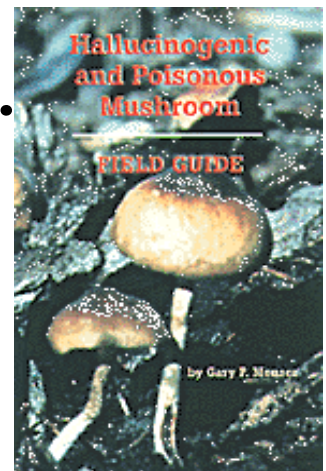

Most concise, readable book on producing psilocybin, the active component of magic mushrooms. Describes producing psilocybin in a small room and obtaining the maximum possible output. Complete descriptions are given of the process of locating the mushrooms; developing stock cultures for inoculation; cultivating, harvesting, and drying the mycelium; extracting the active alkaloids; and using the existing cultures to seed new cultures to keep an ongoing psilocybin farm yielding a regular crop of the hallucinogenic mycelium.

## **Hallucinogenic and Poisonous Mushroom Field Guide**

Gary Menser \$15.95, 146 pp, 0-914171-89-5

A reliable reference that shows readers how to identify, collect, and dry wild mushroom samples. Detailed, to-scale line drawings accompany concise descriptions of the habitat of each species, along with information on its fruiting cycle and geographical range. The chemical qualities of both poisonous and psychoactive fungi are clearly explained. Illustrations

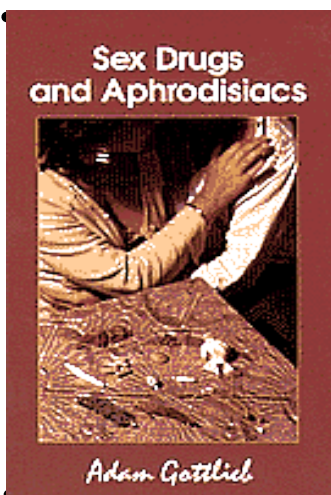

- How to collect, identify, and dry samples

## **Growing Wild Mushrooms Guide to Cultivating Edible & Hallucinogenic Mushrooms**

Bob Harris \$12.95, 96 pp, 1-57951-066-3

Complete beginner's guide. Step-by-step instructions, with drawings and photographs—16 in full color—to introduce the reader to the full range of growing methods, from sterile culture procedures to indoor bottle gardens to indoor/outdoor compost gardens. Includes how to produce small quantities of precisely-mixed composts indoors and the taxonomy of selected psychoactive-containing mushrooms.

## **Growing the Hallucinogens**

**How to Cultivate and Harvest Psychoactive Plants** \$12.95

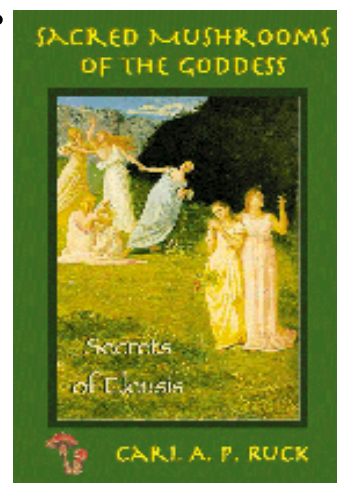

Adam Gottlieb  
90 pp, 0-914171-56-9

Techniques for cultivation and harvesting hallucinogenic and psychoactive plants. Written in careful detail by an expert horticulturist. This hard to obtain cult classic is once again available. Glossary

## **Sacred Mushrooms of the Goddess: The Secrets of Eleusis**

Carl A. P. Ruck \$14.95, 192 pp, 1-57951-030-2

Delves into the mythic roots of Western European spirituality. By joining cults, called Mysteries, the ancients were afforded an experience of personal communication with deity, involving secrets of actions and meanings that were hidden. Divulging these secrets was prohibited, under penalty of death. The Mysteries all involved a sacramental Eucharist—a sacred drink containing psychoactive chemicals derived from a mushroom parasite that grows on the ergot rye.

## **Magic Mushrooms**

Peter Stafford \$14.95, 144 pp, 0914171-19-4

Describes the dramatic effects experienced when consuming psychoactive mushrooms. Over 100 “entheogenic” fungi are known to stimulate ecstatic states in curious seekers. Psychedelic writer, Stafford recounts the history of magic mushrooms, also called “sacred” mushrooms, and describes how these extraordinary mind-changers are psychically relaxing and focusing, catalyst to creative breakthroughs.

## Illuminati Papers

Robert Anton Wilson

In the *Illuminati Papers*, Wilson speaks through characters from his novels and other realities to present his views on our future way of life. Includes: the HEAD Revolution, Secrets of Evolution, How to Eliminate Stupidity, Illuminati Interoffice Memos, the Position Papers of Hagbard Celine, Economic Liberation, and the usual gang of lunatics, mystics and charlatans clamoring for a new social order.

150 pp • \$14.95  
1-57951-002-7

## Right Where You Are Sitting Now FURTHER TALES OF THE ILLUMINATI

Robert Anton Wilson

Fascinating collection of mind-bending ideas. Wilson examines the jumping Jesus phenomenon, talks with Buckminster Fuller, finds a “maybe” in the universe, eyeballs Carl Sagan, asks whether God is a dope (or just plain clumsy), explores the neurogeography of conspiracy, exposes his own credo, and tells you how to have fun with your own head, right where you are sitting now.

208 pp • \$14.95  
0-914171-45-3

## Ghost Hunting: How to Investigate the Paranormal

Loyd Auerbach — “Dr. Paranormal”

Have you had a close encounter with a ghost? Is your home haunted? Learn how to befriend your ghost and other tricks of the Ghost Hunter’s trade. Tells the difference between normal, paranormal — and the just plain wierd. Based on real life cases of one of the most respected paranormal investigators on planet Earth.

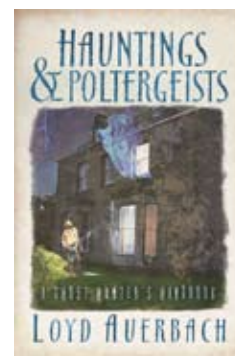

192 pp • \$12.95  
1-57951-067-1

## Hauntings & Poltergeist: A Ghost Hunter’s Guide

Loyd Auerbach — “Dr. Paranormal”

Provides a background for ghost hunters through a discussion of the paranormal. Includes ESP and psycho-kinesis (mind over matter) along with reported experiences of life after death. To understand hauntings and poltergeists, ghost hunters must understand what it means to be psychic and how such abilities manifest themselves.

192 pp • \$12.95  
1-57951-072-8

## Tales of Tongue Fu

by Paul Krassner, Intro by David Jay Brown, Illustrations by Tina Robbins & Pete von Sholly

Imagine having a 15-foot tongue—the erotic possibilities are endless.

Hysterically wise satirical

novel that spoofs the 1970s scene and gurus. Krassner is well-known stand-up-comic and world-class master of satire. Babyboomers who came of age in 60s & 70s will love this nostalgic camio of an amazing time past.

**UFOS**  
Virginia Bennett  
144 pp • \$12.95  
1-57951-020-5

Unidentified flying objects have been reported by thousands of credible witnesses from jet pilots to ranchers to a president of the United States, scientists, and military personnel. Includes the famous Roswell Incident, Farmer Bill Meier’s photographs and the disinformation campaign.

**Crop Circles**  
Carolyn North  
96 pp • \$8.95  
1-57951-019-1

Circles are appearing by the hundreds all over the world each year. No one has ever been seen making them. Could hoaxster created over 3000 mathematically complicated designs—without leaving a trace? What is really going on here? Over a hundred illustrations and photos from the world’s leading croppies. Fascinating!

192 pp • \$12.95 - 978-1-57951-080-0

## Discordia:

### Hail Eris Goddess of Chaos & Confusion

Malaclypse the Younger  
Omar K. Ravenhurst

\$14.00, 192 pg. 1-57951-029-9

Hilarious parody of religion that reveres Eris the goddess of chaos and confusion, complete with ponderous hierarchy of pretentious titles to confuse, awe and madden. Meet the Polyfather. Learn how to set up a cabal. Learn the dangers of Grayface and how to use the Turkey Ritual to protect yourself. There are no rules anywhere. The goddess prevails. *So be it. Hail Eris!*

## RARE BOOKS

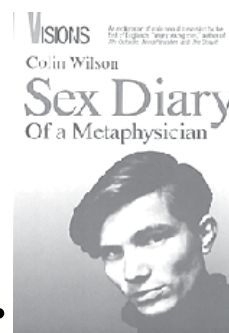

### HISTORY OF UNDERGROUND COMICS

Mark J. Estren  
Fourth Edition  
320 pp • \$29.95  
0-914171-64-X

*A History of Underground Comics* is the most lavish collection of comix art ever to appear in one book, with more than 1,000 drawings by the likes of R. Crumb, Gilbert Shelton, S. Clay Wilson, Jay Lynch, Justin Green, Dave Sheridan, Jaxon, Spain Rodriguez, Kim Deitch, and Rick Griffin. Estren traces the roots of underground comics, details how they unabashedly portrayed sex, drugs, and rock n' roll, flouting convention. Very limited quantities.

*Sex Diary Of A Metaphysician* is an account of the erotic and spiritual adventures of Gerard Sorme—with a climax of scandal, sex, evil obsessions, and Satanism. Using sexual satire as a philosophical medium, Colin Wilson brings us face to face with the paradox of male sexuality. Written in 1961, *Sex Diary Of A Metaphysician* foretells the sexual revolution, psychedelia, and the New Age.

**SEX DIARY OF A METAPHYSICIAN**  
Colin Wilson  
Intro by Timothy Leary  
256 pp • \$14.95  
0-914171-59-3

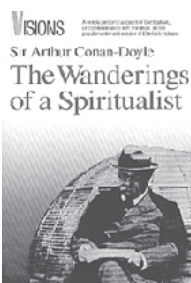

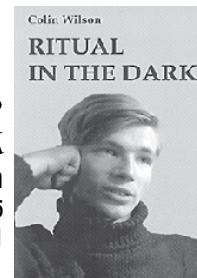

**LAUGHING GAS**  
Sheldon Salyer,  
& Wallechinsky  
128 pp • \$18.95  
0-914171-52-6

*Laughing Gas: Nitrous Oxide* includes a fascinating 200 year history of gas; an introduction on pharmacological developments; dangers, precautions and recent discoveries; drawings, lithographs and photographs; accounts of personal experiences; ruminations on the meaning of gas. Rare book in limited supply.

*Ritual in the Dark* is the story of Gerard Sorme, who later appeared in *Sex Diary of a Metaphysician* and *God of the Labyrinth*. Sorme lives a borderline existence in cheap flats, eating at workman's cafés, as he moves into the murky world of sex murders and the dichotomy between dreams and reality. This Wilson classic helped launch his career as the foremost of England's "Angry Young Men" of the 1950s.

**RITUAL IN THE DARK**  
Colin Wilson  
416 pp • \$14.95  
0-914171-63-1

**WANDERING OF A SPIRITUALIST**  
Sir Arthur Conan-Doyle  
299 pp • \$16.95  
0-914171-23-2

*Wanderings of a Spiritualist* is a personal account of the journeys of Conan-Doyle in support of Spiritualism. This rare out of print book is in limited quantities. Conan-Doyle's Spiritualist writings were never widely published, even though he is one of the most popular writers of all time, having authored the wildly popular Sherlock Holmes series.

## GET THE BEST SERVICE

Ronin is proud to offer **Books For Independent Minds** with excellent, discrete service to good customers. Books are sent in a plain box, and credit card slips describe merchandise simply as "Books." Orders are sent via UPS or Priority Mail. Orders shipped via US Mail or overseas are not insured and are not replaced if lost or damaged. Most USA customers get the books in 2-3 weeks, or sooner. Sometimes, things go wrong. You can help reduce errors and improve service by following a few guidelines:

- ➔ **IF YOU ARE UNDER 18, DON'T ORDER**—*please!*
- ➔ **CHECK YOUR LOCAL BOOKSTORE:** Buying a Ronin book in a local bookstore lets you review it before deciding, but most stores don't carry our books. Ask your local Independent Bookseller to carry Ronin books.
- ➔ **DISCOUNT:** We give repeat customers 10% discount off the Book Subtotal. If you've ordered before, write a note on the Order Form and include your previous Order Number (see top of Invoice) to receive a discount.
- ➔ **CREDIT CARD ORDERS:** We need a complete street address and phone number.
- ➔ **INTERNATIONAL ORDERS:** Use credit card or send money order in USA dollars. Be sure to purchase at a bank. Add the right shipping fee for Air (2-3 weeks) or Surface (2 months).
- ➔ **BEST TIME TO ORDER** is 9am to 5pm (PST) Tuesday to Thursday. Have your credit card ready. **Better yet, order on-line at [www.roninpub.com](http://www.roninpub.com).**
- ➔ **BOOK & PRICE AVAILABILITY SUBJECT TO CHANGE:** We print our catalog once a year only. During the year things can change and we publish new books which are not in the catalog, prices go up and books are sold out. Good idea to call or check the website before ordering.
- ➔ **INSUFFICIENT PAYMENT:** If your payment is short, we send fewer books or return your order. Calling customer service to check price and availability helps avoid problems.
- ➔ **FOR CUSTOMER SERVICE CALL** (510) 420-3670, 9am and 5pm (PST) Monday through Thursday—best shot. We are very short-handed and are not always available. Keep a copy of your order for reference. Wait at least 3 weeks after ordering before calling to ask about it. Your inquiry will be researched and we will contact you by mail.
- ➔ **WHOLESALE:** If you are a store or distributor, call (510) 420-3669 for wholesale information. These books sell!
- ➔ **WEBSITE:** Visit our website for online catalog and great links and the latest information on the "war on drugs."
- ➔ **ORDER ONLINE:** Go to [amazon.com](http://amazon.com) or [b&n.com](http://b&n.com) or to the Ronin website to order our books online.
